

79 Sundown Way

This luxury bungalow boasts open concept design and 1434 sq.ft. of spectacular living space. Its oversized gourmet kitchen features a large island for food prep and easy entertaining. A discreet and beautifully appointed master suite, has a luxurious ensuite with generous walk-in closet and organizer, separate shower and soaker tub, and his and hers sinks. A full width rear deck offers endless potential to be transformed into outdoor living space or a private refuge for relaxation. The beautiful great room with elevated ceiling and gas fireplace makes an ideal spot for entertaining or large family gatherings given its proximity to the kitchen. A hidden laundry room includes a sink and walk in closet and is accessible directly off the two car garage.
