

340 Quigley Way

This perfectly sized duplex means you sacrifice nothing for a growing family or entertaining friends. The home boasts plenty of closet space on the main floor with an open concept great room and dining room leading into the kitchen. The upstairs features a large bonus room in between the master bedroom and children's rooms plus laundry allowing for more family time and less time going up and down stairs. Finally the spacious master bedroom features 3 uninterrupted walls with the walk in closet and ensuite being tucked away.

NOTES

Love Ur Home!
