

320 Quigley Drive

This 1,531 sq. ft. duplex is guaranteed to satisfy in every way. Boasting an open concept design, the galley kitchen and dining area, coupled with adjoining great room, provide a perfect space for your family to entertain and connect. The beautiful master features a spacious walk-in closet and organizer, as well as a private ensuite with soaker tub and shower. A second-level flex room is the ideal extra space for a TV or games room. An upstairs laundry, back deck and garage are other great features that will make life easier and more enjoyable.

Main Floor
618 Sq. Ft.

Second Floor
913 Sq. Ft.
